

ALCOHOLIC BEVERAGES AFFIRMATION AND WAIVER -MOTORCOACH

I hereby affirm that Winn Transportation has informed me of the laws of the state of Virginia that relate to alcoholic beverages on board motor vehicles (specifically Title 4.1-305, 4.1-312 & 4.1-323 of the Code of Virginia) and that I fully understand all of these laws as they apply to this charter.

As the responsible party for the chartered vehicle. I understand and hereby agree to the following:

1. I am fully responsible for a MINIMUM charge of \$100 to put the vehicle back to the same condition in which it was received should there be any abuse, damage and/or mess caused by my group. I also understand that the charges could exceed the \$100 minimum.
2. No person under the age of 21 may be aboard the vehicle if alcohol is being consumed.
3. Glass containers are NOT allowed on board any vehicle.
4. I am required to remove all alcoholic beverage containers including empty containers upon exiting the vehicle. Failure to do so will automatically apply the \$100 minimum charge to my invoice.
5. I am personally and legally responsible for injuries of my passengers while on board this charter coach due to horseplay, intoxication, etc. and solely responsible for my passengers after de-boarding chartered vehicle.
6. Winn Transportation is not responsible for knowing the laws of states outside the Commonwealth of Virginia or for local Virginia localities as they apply to the possession, transporting and/or consumption of alcohol and I hereby take full and total responsibility for any consequences of such laws during the time that said coach is under charter to us.
7. Winn Transportation may refuse to transport or continue to transport any person who appears to be intoxicated and/or whom the driver feels could be a threat to the safety of other passengers and/or the equipment.
8. I hereby waive any right to hold Winn Transportation wholly or partly responsible for any damage caused or legal actions brought by or against any of the passengers on board any chartered coach operated by Winn Transportation due (directly or indirectly) to the possession and/or consumption of alcoholic beverages during the time vehicle is under charter to us.
